Brandt Announces New Hire

Schertz, Texas – March 29, 2010 – Brandt (www.brandteng.com), Texas' largest mechanical and electrical contractor, recently added Danny Patton as a Business Development Manager. Patton will be based in the company's Schertz, Texas, office.

Formerly, Patton held the position of Contract Senior Project Manager and owner of Patton Project Management Group. Patton has over 16 years in the design, construction and MEP (mechanical, electrical and plumbing) industry, spending the last nine as a contracted owner's representative in the healthcare field. Patton has completed over \$300M of projects for some of the largest healthcare systems in the United States.

According to Kevin Pierce, Vice President, Pre-construction Services, "With his diverse understanding of healthcare project management and a strong mechanical background, Danny is a wonderful addition to Brandt's South Texas team, further solidifying Brandt as an industry leader. We are excited to have Danny on our team and look forward to his success at Brandt."

###

Brandt (www.brandteng.com) is a \$280M privately held mechanical and electrical construction firm with offices in Dallas, Fort Worth, Waco, Austin, and San Antonio. Founded in 1952, Brandt is a recognized leader in environmentally-conscious building systems, employing over 1500 employees in Texas and servicing the healthcare, education, industrial, office, hospitality, and critical environment markets.
